PETITION TO REVIVE AN ABANDONED APPLICATION

Sir:

As part of Applicants' routine update on cases filed, Applicants' attorney contacted the Examiner in charge of this case on August 14, 2006 to inquire as to the status of the above-identified application. He was advised, *inter alia*, that the application had been abandoned for Applicants' failure to provide formal corrected drawings. The address of the Attorney of Record was 15 Alameda Place, Mount Vernon, NY 10552 and no such abandonment notice was ever received at that address.

Applicants' file on this application indicate that proper papers were in fact concurrently filed timely, including the authorization to charge the final fee on the PTOL 85B form, a cover letter of transmittal and the requested formal drawings. These documents are enclosed as Exhibits A - C respectively. A copy of the stamped post card receipt is enclosed as Exhibit D

A review of the Pairs site indicated that a communication was sent to the address of record on 06/09/2005 and returned to the USPTO on 06/20/2005. This communication says: "*The drawings were received on October 23, 1998. These drawings are acceptable.*" This document is enclosed as Exhibit E.

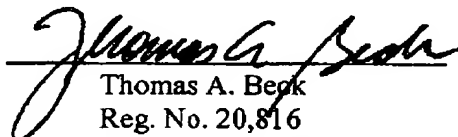

Exhibit E establishes that the defects in the drawings objected to by the Patent Draftsman were cured and that the drawings were submitted timely. Thus the application should have issued in due course.

BEST AVAILABLE COPY

Applicants' Attorney is aware of the requirement to address a Notice of Abandonment promptly, but *ab initio*, the Notice never should have been sent, as all required papers were submitted timely. Applicants did file a "Status Request Letter" enclosed as Exhibit F inquiring about the case. Note that Exhibit F was filed almost a year prior to issuance of Exhibit E. The failure of the case to proceed to the issue branch is in no way due to Applicants' not submitting the papers timely. Passing the case to issue is respectfully requested.

Respectfully submitted,
